This class of motorhomes has blossomed in popularity the past decade and we're thrilled to have as many as we do...in fact, 36 different brands will be shown and for sale! If you're in the market for an overland rig or Class B...the Tacoma Fall RV Show is the place to be!
21. **Motorhomes***. In just about every RV category, this year's Tacoma Fall Show features more brands than previous years. Over 37 of the top motorhome brands will be at this year's show. It's a rare opportunity to compare so many different floorplans and amenities side-by-side in one place.
22. **Park models**. In the market for something a little more permanent? If you have land you're looking to build on, maybe a park model RV is the solution that makes the most sense. Wilder RV is a local leader in park model RVs and they'll have a couple models to check out at this year's show.
23. **Pre-Owned**. Even though this is largely a new-unit sale, there's also a very good selection of gently used RV's and trailers at the show. Don't miss the extensive Puyallup RV display outside and on the west side of the Tacoma Dome.
