## **40<sup>TH</sup> Annual Tacoma Fall RV Show Promises Deep Discounts, Huge Selection and Most Complete RV Show In The NW**

**Tacoma, WA** – The Tacoma Fall RV Show presented by BECU returns to the Tacoma Dome, October 3rd-6th, 2024 for its 40th year and a completely new landscape for RV shoppers. “RV buyers are at a real advantage this year, unlike any other in a long time. Following several years of low inventory, dealers are overstocked and highly motivated to make a deal on in-stock RVs”, said Bill O’Loughlin, President of O’Loughlin Trade Shows. “Buyers will find the deepest discounts and best and most diverse selection of RVs at this year’s Tacoma Fall RV Show that we’ve seen in more than a decade. This is a don’t-miss RV sales event.”

With more than 400 RVs and 190 different RV brands crowded inside and outside the Tacoma Dome, it’s the biggest and broadest RV show and sale in Washington State. The Tacoma Fall RV Show will showcase several new 2025 models along with exceptional buys on 2024 and some 2023 models.

“This is the ultimate RV shopping experience”, O’Loughlin continued, “With every major category of RV represented, buyers can shop and compare RVs and floorplans side-by-side. It’s all here in one place, travel trailers, destination models, fifth wheels, toy haulers, Class A, B and C motorhomes, campers, minis, park models, overland rigs, pop-up and tent trailers, along with service businesses, ATVs and RV resorts to visit.”

The Tacoma Fall RV Show is the last major RV sales event of 2024 and is anchored by 15 of the area’s top RV dealers.

In addition to the hundreds of new units at the show, there’s also pre-owned RVs to shop outside on the west side of the Tacoma Dome in the Puyallup RV outside display.

Boeing Employee Credit Union (BECU) is the show’s presenting sponsor and will be offering on-site financing at the show along with a special, show-only interest rate. This rate is available only to BECU members. Non-members can sign-up to be a BECU member at the show or prior to the show at any BECU location.
